

THE MEN WHO WILL RUN RAVENSCRAIG

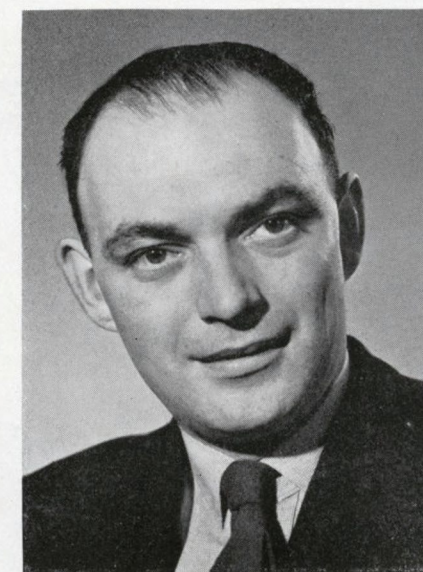

W. Banks, Works Manager, Ravenscraig.

A. Young, Ravenscraig Works, Works Engineer.

J. M. Todd, Ravenscraig Works, Coke Oven Manager.

J. Roberts, Ravenscraig Works, Manager Power and Fuel Services.

E. H. Baldwin, Clyde Iron Works, Blast Furnace Manager.

This team will take over when the new works goes into production

R. Ellis, Ravenscraig Works, Manager General Services.

D. Hadfield, Dalzell Steel Works, Melting Shop Manager.

J. Ramage, Dixon's Ironworks, Office Manager.

WHEN the new iron and steel works at Ravenscraig goes into operation Mr. W. Banks, at present works manager at Clyde Iron Works, will assume the duties of works manager at Ravenscraig. Mr. J. C. A. Cowan, at present constructional manager at Ravenscraig, will become works manager at Clyde Iron Works. These appointments will become effective when the new plant commences operation. To facilitate administrative matters, an active exchange of duties and information is already taking place between the works managers concerned.

J. C. A. Cowan, the new works manager at Clyde Iron Works.
