

MOVE MORE GENTLE MOVEMENT LEAD VOLUNTEER

Volunteers are at the heart of Macmillan in Lanarkshire. By choosing to join us as a Move More Gentle Movement volunteer, you'll be doing something amazing for people at a difficult time. A cancer diagnosis and treatment can make people feel isolated and alone, with little energy and feeling low. The advice used to be "rest is best", however research shows that moving more can actually help recovery and improve symptoms.

Culture North Lanarkshire is working in partnership with North Lanarkshire Leisure and Macmillan Cancer Support to deliver Move More North Lanarkshire; a programme of activity specifically designed for people affected by cancer. From gardening and walking groups to circuit and gentle movement classes, there is something for everyone.
