### Primary

#### FIRST WORLD WAR: HOME AND AWAY

**Second level P5-7 / £44 / 90 mins**

This workshop explores the path that a soldier took from recruitment to the trenches, explaining the reasons behind the outbreak of war and the impact of those at home as well as on the fighting men. It makes use of a wide number of objects including costumes, replica weapons and documents from the period. SOC2-01a

### Secondary

#### LANARKSHIRE'S GREAT WAR

**Third / Fourth level S1-4 / £44 / 90 mins**

The First World War had a significant impact on everyone in Lanarkshire, whether they fought abroad or stayed at home. In this new workshop pupils will use museum objects and archive materials to understand how the First World War impacted on life at home in Lanarkshire. Pupils will research primary sources to discover how people in Lanarkshire were affected by the war, in their home and work life, to develop an understanding of the lasting social changes brought by the war. SOC 3-06b / SOC 4-06b

For more information and to book, please call 01236 638460

#### JOHN STEWART: LANARKSHIRE'S WAR POET

**Third / Fourth level S1-4 £54  
outreach / £44 at Summerlee / 45  
mins**

Funding from the Heritage Lottery Fund has enabled museum staff to uncover the story of John Stewart, a local teacher who enlisted in the Border Regiment for the First World War. John was awarded the Military Cross for bravery and published a book of poetry, before being tragically killed in battle in 1918. This workshop covers his life and poetry and can be delivered in school during a standard lesson, or as an addition to our Lanarkshire's Great War workshop at Summerlee.

#### FIRST WORLD WAR LOAN BOX

There is also a loan box containing PowerPoint presentations, information, photographs, costumes, flags, posters, postcards and replica items which is available to hire for £55 per term. Please note that the borrower must collect and return the box.

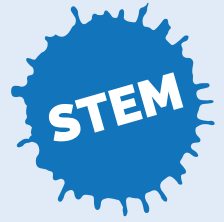

#### FIRST WORLD WAR TRENCH

Summerlee Museum has an accessible trench in the grounds which can be visited during normal museums hours. To book a self-led visit, please call 01236 638460.

# Focus on... Science, Technology, Engineering and Maths

STEM for early years and primary classes

## EARLY YEARS

### WEE ENGINEERS

**Early level / Pre-5s £25 / 45 mins**

What makes engines work? Get hands on with pistons and a bottle rocket at Summerlee and find out what makes things go!

### NATURE DETECTIVES

**Early level / Pre-5s £25 / 45 mins**  
**(Seasonal: September/October/ May/June)**

Discover the creatures that live in our park. Investigate where they live and what they eat. Find out how they move, walk and fly and enjoy a story. Suitable outdoor clothing required for pupils and teachers. SCN 0-01a

### TRAMS, TRAINS AND TALES

**Early level / Pre-5s £25 / 45 mins**

Pupils will hop on the tram for a journey to the engine house where they will investigate the locomotives and hear a story. SOC 0-01a

## PRIMARY

### ENGINEERING - SCOTLAND'S INDUSTRIAL PAST

**Second Level P6-7 / £44 / 90 mins**

Focusing on the great achievements of Lanarkshire engineers, pupils will learn about the different types of engineering and the rise and fall of heavy engineering. They will also take part in some hands-on team challenges to design, test and build a piece of engineering.

## HEAVY METAL

**Second level P5-7 / £44 / 90 mins**

For much of the nineteenth century Coatbridge was the Iron Burgh; a manufacturing powerhouse whose products could be found around the world. This workshop uses experimentation to explore the simple chemical reactions found in a hot blast furnace, alongside big concepts like friction and density. Pupils will also learn about the contributions made to science by local people such as David Mushet, in this hands-on History/STEM mash-up workshop. SCN 2-20a, SCN 2-17a, SCN 2-19a, SCN 2-07a

## FLOATING AND SINKING

**Second level P5-7 / £44 / 90 mins**

Discover the challenges a boat builder faces with these problem-solving science activities. Pupils will explore floating and sinking through practical experiments to discover more about materials and buoyancy. SCN 2-08b

## WILDLIFE IN THE PARK

**Second Level P3-5 / £44 / 90 mins (Seasonal: September/October/May/June)**

Summerlee is more than simply a museum. It is home to plants, insects, small mammals, fish and birds. Pupils will investigate the habitats and creatures that thrive in the park using observation, listening, drawing and discussion. Suitable outdoor clothing is required for pupils and teachers. SCN 2-01a

## OLD TOOLS, NEW HANDS

**Second Level P6-7 / £44 / 90 mins**

What is a joiner? What sort of tools do woodworkers use? Using drawing, discovery and hands-on learning this workshop will help pupils find out about the different ways people made objects before plastic and computers. There will be an opportunity for each pupil to saw, hammer and sand wood as well as handle new and old joiners' tools. TCT 2-13a

## FORCES IN MOTION

**First and Second level P1-7 / £44 / 90 mins**

Using traditional toys and games from the museum's collection and some simple experiments the children will learn about basic forces and motion including push, pull, gravity and friction.

## Early Years at North Lanarkshire Heritage Centre

Maximum of 15 pupils per workshop. Suitable for ASN pupils, please call to discuss your requirements.

### WASH DAY

**Early level / Pre-5s £25 / 45 mins**

## GARDEN OF DELIGHTS

**First/Second Level £50 / 90 mins / P1-4**

This workshop takes place in the beautiful gardens of Colzium House where pupils will enjoy a guided nature walk, looking for evidence of animals, birds, insects and pond life. They will also have a chance to make their own nature craft creation to take home. Please wear suitable outdoor clothing for this workshop. SCN 2-01a

## SCOTTISH KNIGHTS AND CASTLES

**Second Level £50 / 90 mins / P4-6**

Discover more about medieval Lanarkshire. Pupils will learn about the role of the castle, medieval food and banquets, discuss what a knight did and enjoy some hands on fun with full size replica armour. SOC 2-04a

## WEAVING NATURE

**Second Level £50 / 90 mins / P4-7**

This 90 minute workshop explores Colzium gardens looking at plants and animals using magnifiers. Each pupil will create a small piece of weaving, as well as getting hands on with the traditional skills of carding, spinning and weaving.

# Christmas and special exhibitions at the museums

We offer special workshops for early years and primary classes in Summerlee Museum and North Lanarkshire Heritage Centre during December and additional workshops for special exhibitions throughout the year. Places book up quickly so look out for the circular or ring 01236 638460 for information.

# Loan Boxes

These boxes contain a mixture of objects, photographs and information on themed topics. They can be used from classroom displays and teaching. They are great for drawing, photography and discussion too. For more information or to borrow a box please call 01236 638460. Boxes cost £55 for an academic term or £25 for four weeks with fees for late return at £5 per day. Bookings must be made in advance for the collection and return of boxes from either Summerlee Museum, Coatbridge or North Lanarkshire Heritage Centre, Motherwell. Alternatively boxes can be used in the museums free of charge by visiting groups. Please call and reserve your box in advance of your visit.
