

# **APPLYING TO VACMA? MAKE SURE YOU:**

## **UPDATE YOUR CV**

ensure it is a professional artist/maker CV  
and take out anything that isn't relevant

## **HAVE GOOD PHOTOGRAPHS**

of your work — particularly recent work —  
and carefully select images to back up your  
application

## **LABEL YOUR SUPPORTING MATERIAL**

and include an image list with dates and sizes

## **CHECK THAT YOU ARE ACCURATE**

does your budget request match what you've  
described in the application?

## **ASK A FRIEND**

to check your application — is it easy to  
understand what you do and is it clear what  
support you're looking for? Ask someone who  
doesn't know your practice to check over what  
you've written
