At CultureNL we love **Brenda Is A Sheep** from the award-winning **Morag Hood**– the creator of *The Steves* and *I Am Bat*. The book, a brilliant twist on the classic wolf-in-sheep's-clothing fable, is included in this year's Bookbug Primary One Bag.

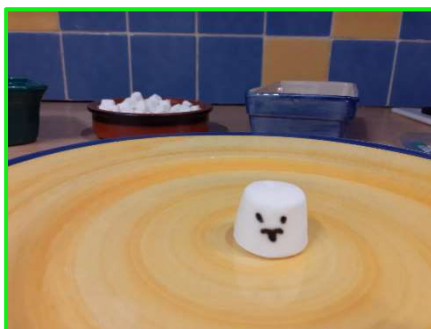

Why not enjoy this massively mischievous and hilarious story about being accepted with your little one, before making your very own **Snackable Smores Sheep** together!

Ingredients

Per sheep you will need the following:

- 1 large marshmallow
- 10 small marshmallows
- 1 small pretzel
- White icing to attach pretzel feet and small marshmallows to large marshmallow
- Food safe pen

Step 1: Use food-safe pen and draw sheep face onto large marshmallow.

Step 2: Cut mini marshmallows in half. Take one half marshmallow and cut in half again and then colour each half with red or pink food safe pen to represent sheep ears.

Step 3: Use water icing or icing pen to attach mini marshmallows all over large marshmallow. Don't forget to put ears on the sheep.

Step 4: Place a small amount of icing onto pretzel and place sheep on top.

Step 5: Congratulations, good job, sheep complete.

Step 6: Repeat steps as often as required to achieve a flock of sheep.
