

# How To Make Tissue Paper Flowers

Follow our simple how to guide to make some beautiful tissue paper spring flowers.

## What you will need:

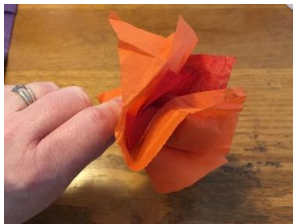

Scissors

Tissue paper

Pipe cleaners

**Step 1:** Choose which colours of tissue paper you're going to make your flower from and cut them into circles or squares.

**Step 2:** Layer them up on top of each other, alternating the angle slightly for each one.

**Step 3:** Grab all of the layers at the centre scrunch it up to create a tip. This will create a flower shape.

**Step 4:** Use a pipe cleaner and wrap it tightly around the scrunched-up part to secure it. This will also create the stem of your flower.

Now you are finished, you could display your flowers in a vase or use them to decorate an Easter bonnet!
