

STICK WEAVING

You will need:
-Sticks (at least 3, 4 is ideal)
-Wool/ string
-Selection of natural materials eg: flowers + leaves

- Go for a walk and collect your materials needed. Try to only pick things up off the ground to use!
- Arrange 4 sticks in a square shape and tie their ends together with string.
- Wrap string or nice wool around your frame to create a loom.
- Use foliage, found flowers, natural materials to weave through your loom
