

# Printing Using Nature

You will need:

- Paper
- Acrylic paint
- Selection of leaves
- Pen

- Choose a selection of leaves and other natural materials.
- Begin to imagine a scene or think of a theme you want to focus on.
- Space leaves out around page to form a scene/ pattern etc
- Think about the colours you want to use.
- When you're ready use a paintbrush to paint onto one side of your leaf
- Press firmly onto page using the leaf as a stamp.
- Build up a colourful scene or pattern using nature as your stamp collection!
