

VolunteerNL

Museum Assistant

Every year, thousands of people visit museums across North Lanarkshire to improve & enrich their lives.

Our venues are the heart of communities in North Lanarkshire. They play a significant role in combating isolation, linking users to their wider community and sharing histories.

By volunteering your time with museums, you will directly be improving places & spaces so people can enjoy a quality, fun experience and help inspire others to be active in their community.

Through volunteering, your time as part of our great team will help ensure that our facilities are conserved for future visitors to enjoy.

What's involved?

Activities include:

- Help to conserve machine tools to ensure they are kept to a set standard
- Help to conserve the trains on site for their longevity and enjoyment by all
- Maintenance painting around the venue
- Outdoor Work, e.g. Gardening
- Other ad-hoc activities may arise on the day

What will you get out of it?

- Making a difference to your local community
- Make new friends and feel connected to the wider volunteering programme
- Full training provided for roles
- Reduced membership to ActiveNL Gyms
- Pre agreed out-of-pocket expenses reimbursed within our volunteer policy

Volunteering Role

- We're looking for volunteers who can offer a minimum commitment of 2 hours per week
- Anyone with an interest in supporting their local community/museum
- Be active in your own community

Training

- We will offer an on-site induction and support with all activities
- We are happy to accept applications from people who require additional support if they are independent.
- If not independent, a carer needs to accompany the volunteer
