# ARTS AND YOU

**Welcome to our community arts programme, North Lanarkshire's Arts & You for August - October 2022.**

We're having a great year so far and continuing with our new term from August. As with the previous term, classes can be booked week to week or, if you'd like to book the block, simply select all available weeks. If you'd like to pay by the week, that's ok too – just as long as you remember to book in advance.

We have a great team of Arts Development Officers who are passionate about all things arts. So, whether you are interested in performing, playing an instrument, visual arts or photography – we have something for everyone! We hope you will find a class to inspire you to join us.

**Join in. Have fun. Be creative.**
